# ULTIMATE EYE SHADOW

Matte, shimmer, and pearlized pressed mineral powders for everyday use

#### **PRODUCT HIGHLIGHTS**

- Thirty brilliant hues
- Assorted finishes achieve any look
- High pigmentation
- Fine mineral-based powder
- Colors blend smoothly
- Safe for sensitive skin

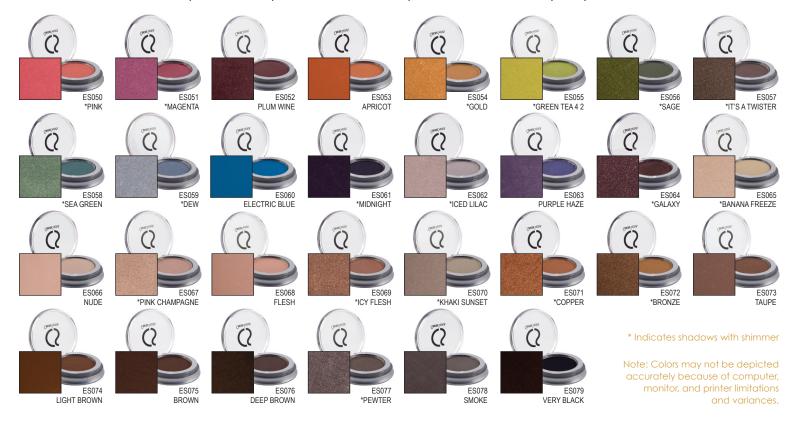

Cinema Secrets Ultimate Eye Shadows are highly pigmented, mineral-based powders formulated to provide lasting color, blend smoothly, and go on with a velvety texture. The compact powders are safe for even the most sensitive eyes. When used with Cinema Secrets Eye Primer, the shadows will have the most vibrant and accurate color as they appear in the container and won't cake or crease. The colors blend beautifully and are powerful enough to make any eye stand out.

### ULTIMATE EYE SHADOW

Matte, shimmer, and pearlized pressed mineral powders for everyday use

#### **USE AND TIPS**

To get the most vibrant and accurate color, pre-treat eyelid with Cinema Secrets Eye Primer to create a neutral backdrop and further prevent caking and creasing.

## EYE LINER SEALER

- TRANSFORM ANY SHADOW INTO A WATERPROOF CAKE EYELINER
- BRUSH OVER ANY EYELINER FOR A WATERPROOF SEAL
- EASILY WATERPROOF CAKE LINERS
- ALLOWS FOR UNLIMITED LINING COLOR CHOICES

Cinema Secrets Eyeliner Sealer is a versatile trick of makeup professionals. Just a drop in any eye shadow will transform the shadow into a cake liner, making your color lining choices vast and endless. Eyeliner Sealer can also be brushed over pencil or liquid liners to provide a waterproof seal and extend the wear of the liners.
