Cinema Secrets Ultimate Makeup Case features a slick design to easily organize all makeup or hair care products. The case features a completely reinforced frame as well as a fully insulated interior making it incredibly durable and able to withstand extreme temperatures.

Featuring a top lift lid and 5 deep dish drawers with poly-vinyl lining, makeup can be organized easily and kept clean. Our Ultimate Case also features a brush holder on the inside of the case so brushes are simple to find and store.

While most cases only have one detachable wheel, the Cinema Secrets Ultimate Makeup Case features a durable, detachable double roller to easily balance and move your supplies.

Case measures 12.25" x 9.5" x 14" (31.1cm x 24.1cm x 35.6cm). The detachable dolly extends to 3 feet when fully extended. A silver aluminium finish and identification panel on the front gives a polished, clean, professional look to any makeup kit.
